

HELP US SPREAD THE MESSAGE OF RECOVERY...

Our professional, energy packed shows develop a spiritually rich environment for people of any background to connect with the themes of Recovery, Christ, and Community within a church family. We have spent years honing our craft, devoting ourselves to impactful worship and humility as we continue to connect with God's people all over the world.

With your support, we can use our gifts in even more powerful ways to share the love of Jesus and the message of recovery with others.

Thank you for your consideration!
